

Research : Our Promise : We promise to harness the essence of these fruits and translate them into luxurious, high-quality makeup and skincare products that deliver exceptional results. Our artisans craft each formulation with the utmost care, infusing them with the purest fruit extracts, nourishing oils, and botanical essences. You can trust that every product bearing the Nature's Palette name has undergone rigorous testing to ensure efficacy, safety, and a delightful sensory experience.

At Nature's Palette, we believe in harnessing the power of nature to create beautiful and effective skincare and makeup products. Our collection is made with natural, fruit-based ingredients that provide nourishment and protection for your skin.

We are committed to using sustainable and eco-friendly practices in all aspects of our business, from sourcing ingredients to packaging our products.

Our company slogan is: "Naturally beautiful, inside and out."

We strive to help you enhance your natural beauty while also creating eco-friendly products made from our very own earth's bounty.

Welcome to Nature's Palette, where nature's masterpiece becomes yours.

Most "eco-friendly" based companies are 95%, and most of them lie when they say their products are naturally based and free from animal testing. However, our product needs to be 100% eco-based and nothing artificial.

We can resort to ancient Indian/herbal/ayurvedic techniques that are scientifically proven to work.

Turmeric : helps skin cells from clumping together and clogging the pores. Quicker healing. Could work for scars/acne??

Beetroot : gets rid of dark lips, and makes your lips smoother, brighter, lighter, and more plump

Strawberry : Helps your skin glow, and is anti-inflammatory, treats acne

Blueberry : Fades away blemishes like sun spots, and hyperpigmentation, as well as any other dark spots

Mint : treats acne and scarring, brighter complexion, and fades any dark spots

Orange Peels : treats acne, youthful and glowing appearance

Banana Peel : treats acne and fades away any dark spots

Avocado : soothes skin conditions, improves skin elasticity, prevents skin damage

Grape : improves elasticity on skin, and blood circulation

Oils

Coconut Oil : moisturizing, but can cause breakouts, so use cold-pressed unrefined coconut oil

Olive Oil : keeps skin hydrated, use extra virgin cold-pressed unrefined

Avocado Oil : linoleic acid and oleic acid, instant remedy for dry skin

Jobba Oil : used in a lot of sunscreen, UV protection, prevents water loss so results in hydrated skin, treats dermatitis (inflammation)

Shea Butter : anti-inflammatory and antioxidant properties

Tea Tree Oil : disinfect pores, reduce swelling, and inflammation

Peppermint Oil : Antifungal properties, alleviate skin conditions that produce itching Chamomile Oil : soothes red, itchy skin

Marula Oil : Doesn't clog pores

Argan Oil : moisturizes skin

Grapeseed Oil : antimicrobial, cold-pressed unrefined is the best

Rosehip Oil : beneficial for people with eczema

Rosemary Oil : treats acne, and promotes healthy hair and skin

Oregano Oil : beneficial in healing wounds on skin
